CLIENT TESTIMONIALS

Where do I start?! Laurenne is just the absolute loveliest person ever and it was such a joy to have her do our wedding flowers in July. The colours, variety, style, just everything… so perfect! We had a mix of DIY and bespoke - we had buckets of flowers to make up our own vases for the reception tables, and Laurenne did all the bespoke bouquets for myself and bridesmaids, buttonholes for the best men, page boys and family, and our meadow box flowers for the ceremony/sweetheart table in the reception. Every single flower used was homegrown on her farm. If you want perfect for your wedding, I definitely recommend contacting Laurenne. She is just the best! Thank you so so much 💕 -
Louise

CLIENT TESTIMONIALS

Absolutely incredible from start to finish! Laurenne did the flowers for our wedding and everything was just incredible. We had a wonderful initial meeting to discuss what we wanted and Laurenne was so knowledgable and friendly, and kept us informed throughout the process. She created something even better than I could ever have imagined for our big day- the beautiful flowers and arrangements were commented on by so many of our guests! We will continue to use Laurenne for any of our flower needs, and have already made great use of the flower stand too. I honestly cannot recommend highly enough!
